Thank you for supporting NEWEA's Fundraiser to benefit Water For People.

Water For People helps people in developing countries improve their quality of life by supporting the development of locally sustainable drinking water resources, sanitation facilities and health and hygiene education programs. The Water For People vision is a world where all people have access to safe drinking water and sanitation; a world where no one suffers or dies from a water- or sanitation-related disease. For more information, go to www.waterforpeople.org

**We would like to thank Namaskar Restaurant in Davis Square
and Starbucks for providing food for this event**

Thank you also to our company sponsors for this event!!
