★ *the wonders of* WATER ★

Water. It is a *wondrous* thing.

It is *essential* for life and good health.

It is a *source* of recreation and relaxation.

It helps *sustain* growth and development.

Without it, we cannot *survive*.

Help support WATER FOR PEOPLE and the wonders of water!

Please join us in sponsoring and attending
THE 2ND WATER FOR PEOPLE

The people who live in developing countries who do not have access to safe drinking water and adequate sanitation live in risk. Clean water is a wondrous thing in these communities and Water For People (WFP) is bringing the wonders of water to them. WFP is a non-profit organization that helps people in developing countries help themselves by implementing simple, affordable water and sanitation solutions to meet the needs of their community.
