

**WATER FOR PEOPLE NEW ENGLAND GOLF TOURNAMENT**  
GLEN ELLEN COUNTRY CLUB, MILLIS, MASSACHUSETTS  
MAY 11, 2006

The day opened with a drizzle, but the rains seemed to be breaking up by shotgun start time. The bridge on the way to Glen Ellen Country Club is still out, so some people were just a bit late, but 34 dedicated golfers played the May 11 tournament to benefit Water For People. Even though the day was a bit damp, it turned out to be the very best day for golf from the entire week surrounding that date (we all know too well what happened during the ensuing weekend).

About the time the teams were playing their 4<sup>th</sup> and 5<sup>th</sup> holes, the rain picked up a bit, but then the weather cleared, and by the home stretch, things were warming up, and so was the competition. Two teams from the Maguire Group were neck and neck for first and second place – and as a matter of fact, they tied scores at 64, and required a tie-breaker based on birdied holes, First place went to the dual father and son team of Steve Landry,

Steve Landry, Denis Fraine and Andrew Fraine, while second place went to the other Maguire team of Dave Gorman, Jeff Young, Bill Murphy, and Vinny Susco. Third place, with a score of 69, went to the first team to finish the course – the CDM Constructors team of John Weston, Peter Connolly, Tom McNeice, and Keith Poulin. The prize for Longest Drive went to Tom Rich, of the CDM Constructors/Aulson team, and the prize for Closest to the Pin went to Bob Radigan of the Malcolm Pirnie team. Congratulations to the winners, and congratulations (and a special thank you for playing through the rain) to all of the other competing teams. A Texas barbecue lunch followed the tournament, accompanied by a very successful raffle.

Prior to the prize announcements, the crowd was treated to a prepared speech by Charles Tyler regarding Water For People and the NEWEA WFP adopted country, Malawi. When he finally finished, raffle prize winners were drawn - prizes included a package of Wood Covers from CDM Constructors, an 18-hole foursome from the Glen Ellen Country Club, a basket of maple and honey products from EDM Consulting, a bath and body products basket from Casey Haskell, a \$50 Home Depot gift certificate from Haley and ward, a \$200 Home Depot gift certificate from the Margolius family, four NEWEA 75<sup>th</sup> Anniversary denim shirts, three NEWEA Manhole Posters (Tom McNeice of CDM Constructors was the lucky winner of two of these posters), and three copies of the NEWEA 75<sup>th</sup> anniversary publication "Origin/Destination." The

most coveted prizes were four box seat tickets to the Red Sox game with Cleveland on July 29 donated by Natgun, won by Christine Reynolds of the Applied Technology and Management team; and two pre-season Patriots tickets donated by Neptune Technology, won by the incredibly lucky former WFP Chair Sean Osborne.

The NEWEA Water For People Committee wishes to thank all of those companies who sponsored players: Coler and Colantonio, Inc., CDM Constructors (two teams!), Malcolm Pirnie, Carl Leuders & Company, Haley and Ward, the Maguire Group (two teams!), the Aulson Company, Neptune Technology, Neponset River Watershed/Judith Nitsche Engineering, and Applied Technology and Management.

In addition, we offer our thanks to hole and golf prize sponsors, Haley and Ward, MOSES (the Massachusetts Organization of State Engineers and Scientists), Max Power International, The Maher Corporation, The Aulson Company, Black And Veatch, Malcolm Pirnie Incorporated, CDM Constructors, Severn Trent Services, EDM

Consulting, CH2M Hill, Neptune Technologies, Lombardo Associates, and Woodard and Curran.

Special thanks to those who dug even deeper to purchase raffle tickets. The report is that, in spite of a lower-than-anticipated registration, the event cleared \$1200 for donation directly to Water For People in the name of the NEWEA Committee. Thank you, thank you, thank you to all who participated to make this event successful!!!
